KORONA POS
Kitchen printer buyer sheet

U.S. equipment planning reference • November 18, 2026

Send prep slips to the kitchen or bar using an impact printer that supports carbon copies. Confirm order routing, printer placement, and whether duplicate slips are needed.

Individual configuration: confirm connections, accessories, mounting or charging, and software requirements separately.

Photo shows a representative configuration, not a confirmed brand, model or revision. Before quoting, confirm exact equipment, compatibility, counter or floor space, networking and supply terms. Bring barcode, label, ticket or ID samples when relevant.
