KORONA POS
Ticket and inventory scanner buyer sheet

U.S. equipment planning reference • November 18, 2026

Scan at the entry gate to validate event tickets or use a handheld for inventory work. Specify the intended workflow and whether stockroom and admissions staff need devices at the same time.

Individual configuration: confirm connections, accessories, mounting or charging, and software requirements separately.

Photo shows a representative configuration, not a confirmed brand, model or revision. Before quoting, confirm exact equipment, compatibility, counter or floor space, networking and supply terms. Bring barcode, label, ticket or ID samples when relevant.
